2241 Attachment

Pursuant to Program Statement 5270.09
§ 541.5 - 541.8, which governs the Due Process Procedures
when an inmate is accused of a Prohibited Act.

§ 541 outlines the steps that should be taken when
a reporting employee (the staff witness), is to be the one to
write out the incident report as he/she is the with first hand
knowledge of the Prohibited Act. wherein, the reporting
employee must cite all numbered Prohibited Acts committed
by the inmate and witnessed by that staff officer. The
report is then assigned to an investigating officer
(after the incident had been written), outside of the reporting
officer, and the incident report should be delivered to the
inmate within 24 hours of the incident; constituting due
notice

Petitioner was never given notice of the R & D staff member who allegedly found the documents in my property; property that had not been in Petitioner's custody for over forty (40) days as Petitioner was placed in the Segregated Housing Unit (SHU) on December 10, 2019, and the property was not inventoried until January 17, 2020 (Please attached incident and property sheet); All Against P.S. 5270.09 § 541.5 - 541.8. The report was written by officer Bobby Screws, someone who can not attest that the documents actually were found in Petitioner's property. The incident report was written based on hearsay evidence.

The instant case shows that Petitioner was denied all procedural safe guards envisaged by Program Statement 5270.09 § etc.

FURTHER, the PROCEDURAL requirements run about for prison disciplinary proceedings as outlined in Wolff v. McDonnell, 418 U.S. 539, 94 S.Ct. 2963, 41 L.Ed. 2d 935 (1974), in two aspect; 1) written notice to the inmate of the charges at least 24 hours prior to the disciplinary hearing; 2) An opportunity "to call witnesses and present evidence in his defense when permitting him to do so will not be unduly hazardous to institutional safety or the ~~correctional~~ goals."

From the exhibit of the Chronological Disciplinary Record, the incident report was written at 0800 hours, and Petitioner was found guilty at 1600 hours, and as Petitioner was never given the name of the R.I.D. officer whom allegedly found the documents, Petitioner was denied an opportunity that individual as a witness to verify that the

documents were actually found in my property, and why he/she did not indicate on my property sheet that he/she had removed legal documents like they listed all the other property they had removed.

Petitioner has a vested interest in the Due Process Procedures, and the arbitrary nature in how B.O.P staff violated these safeguards are egregious. Petitioner did all that requested of him, and the B.O.P. refuses to follow its own procedural mandates. Incident report no: 3355407 generated and processed in violation of the these mandates, and in violation to Wolff.

Petitioner prays that the Honorable court would review evidence, and order the expungement of incident report no: 3355407.

Part A - REASON FOR APPEAL NEARLY A YEAR HAS ELAPSED AND REGIONAL OFFICE HAS NOT RESPONDED. I AM APPEALING TO HAVE INCIDENT NO. 3355407 EXPUNGED. PURSUANT TO P.S. 5270.09 - THE OFFICER THAT WITNESSED (FOUND) THE PROHIBITED ACT MUST BE THE ONE TO WRITE THE REPORT. B. SCREW DID NOT, NOR CAN HE ATTEST TO FINDING ANYTHING IN MY PROPERTY. THE REPORT STATES THAT A R&D STAFF MEMBER ASKED HIM (B. SCREW) TO IDENTIFY SOME PAPERWORK. WHOEVER THE R&D STAFF MEMBER IS, SHOULD HAVE WRITTEN THE INCIDENT REPORT AFTER VERIFICATION OF THE ITEMS WAS MADE. THIS DID NOT HAPPEN. MR. SCREW CANNOT WRITE AN INCIDENT REPORT FOR POSSESSION OF AN UNAUTHORIZED ITEM WHEN HE CANNOT ATTEST TO THE FACT THAT THE ITEM WAS FOUND IN MY PROPERTY. I DID NOT HAVE THE ITEMS. THE ALLEGED ITEMS WERE FOUND 40 DAYS AFTER I WAS PLACED IN SHU. I NEVER GOT AN ITEMIZED LIST OF MY PROPERTY UPON ENTERING THE SHU. ALL ITEMS CENTRAL OFFICE ASKED TO GET FOR VERIFICATION THAT THE TIME ISSUE WAS NOT UPON ME BUT UPON STAFF, I PROVIDED. IT MUST BE NOTED THAT THE REPORT WAS WRITTEN A FULL WEEK AFTER THE ALLEGED ITEM WAS FOUND. WHEN I AM SUPPOSE TO BE NOTIFIED IN 24 HOURS, OR HAVE THE WARDEN SIGN OFF ON A DELAY. WHOEVER THE R&D STAFF MEMBER IS, DID NOT IDENTIFY ON MY PROPERTY SHEET THAT SOME TYPE OF LEGAL WORK WAS REMOVED AND SENT TO S.I.S.

Part A - REASON FOR APPEAL TIME REQUIREMENT PURSUANT P.S. 5270.09 & 541.5-541.8 do not attach until inmate takes receipt of the notice. Covid-19 protocols have forced inmates behind cell doors and all correspondence pass through their hands. I have met all time requirements pursuant to the mail box rules. I am appealing because Central Office Report is dated Nov. 27, 2020, U.S.P. Beaumont dated their receipt Dec. 16, 2020, and the notice did not reach me until Dec. 29, 2020. The same day the notice reached me, counselor Bangart wrote the memo pursuant to Central Office directions. Also that same day I re-wrote the BP-9 and placed all documents in the hands of Mr. Bangart along with certified mail receipts attached (please all attached paperwork). I have all time requirements. Edgefield rejection notice is dated Jan. 14, 2021. The envelope is dated Jan. 21, 2021, and I did not receive personal notice until Jan. 28, 2021. (please see attachment). My appeal should be addressed upon the merits, and not technicalities beyond the inmates control. Incident no: 3555407 must be expunged because: 1) the documents were not found in my property 2) Officer Serow was not suppose to be the one to write the report pursuant P.S. 5270.09, the officer that witness the incident must write the report. Officer Serow cannot attest to the fact that the paperwork was retrieved from my property, as they were not. 3) the report was written a week after the alleged documents were found, no explanation in writing pursuant P.S. was given for the delay. 4) the report office did not itemize any removed documents from my property along with the other items involved. The documents did not belong to me, nor found in my property. The statement must be expunged.

Part A- INMATE REQUEST

Pursuant to Program Statement 5270.09 §§ 541.5-541.8 which prescribe that the witnessing officer must write the incident report. That being case, I am asking that incident no. 3355407 be expunged from my record. The witnessing officer must be the one to write the incident report as to what they saw. Mr. Screws cannot attest to the fact that the U.C.C. document was found in and/or removed from my property. Mr. Screws only has third party knowledge of where the document was retrieved from (Allegedly). According to 5270.09, once verification was made that the document was prohibited the witnessing officer because he/she was the one found it in the inmates property, must write the incident report. Mr. Screws clearly state that it was give to him by someone from R&D. Program Statement does not authorize that this responsibility can be delegated to another officer. It must be expunged also because according to my property sheet my property was processing on 1-17-2020, but the report was not written until 1-22-2020, five days later. P.S. § 541.5-541.8 state that a delays in processing of the incident report, must also be documented, and this did not happen. And finally, there is no notation of the property that a legal item was removed. As all other item removed were documented, giving me notice it was removed. I did not have any U.C.C. papers removed in my property and I strongly deny having knowledge of any U.C.C. doc.

(Date: **01-22-2020** Time: **10:00** staff became aware of incident)

On January 22, 2020, at approximately 8:00 AM, R&D Staff asked the SIS department to review some suspicious paperwork that was found in the outgoing property of inmate Keith Dewitt, Reg. No. 42918-061. On January 22, 2020, at approximately 10:00 AM, I, B. Screws, completed a review of the paperwork that was in the property of inmate Dewitt and discovered multiple Uniform Commercial Code (UCC) documents. Some of the UCC were blank and others had been filled out in some sections. Under Bureau regulation and policy definitions, Uniform Commercial Code (UCC) filings or other lien documents, and documents listing authorized personal information for "covered persons" defined by 18 U.S.C. 119, pose a threat to the security of the institution and are considered contraband.

EXHIBIT # 10

541.5 Discipline process.

(a) Incident report. The discipline process starts when staff witness or reasonably believe that you committed a prohibited act. A staff member will issue you an incident report describing the incident and the prohibited act(s) you are charged with committing. You will ordinarily receive the incident report within 24 hours of staff becoming aware of your involvement in the incident.

When staff witness or reasonably believe that a violation of Bureau regulations has been committed, staff must prepare an incident report and forward it to the appropriate Lieutenant. The Lieutenant will enter the incident report into SENTRY.

The reporting employee immediately completes Part 1 of the incident report. The incident is a prohibited act listed in Appendix C. The entire language of the prohibited act(s) does not have to be copied. For example, "Destroying Government Property, Code 218" or "Possessing Narcotics, Code 113" would be acceptable listings.

The description of the incident should contain all facts known by the employee that are not confidential. Anything unusual about the inmate's behavior should be noted. The reporting employee also lists persons (staff, inmates, others) at the scene, and physical evidence (weapons, property, etc.) the employee may have handled. The report reflects any actions taken, including use of force. The reporting employee signs the report, enters his/her title, date, and time, and forwards it to the Lieutenant. The description of the incident provides the inmate with specific evidence for which he/she may prepare a defense.

References to attachments and other investigative materials should not be identified in Section 11 of the report. For example, if staff observe two inmates in a physical altercation, the reporting officer should describe in Section 11 specific actions by each inmate; e.g., throwing punches to the head with a closed fist, striking one another with closed fists, biting, scratching, hair pulling.

Acts are different or separate if they have different elements (time, place, persons involved, actions). For example, if an inmate is involved in a fight with another inmate and also strikes a staff member trying to break it up, the inmate can be charged with fighting (Code 201) and assaulting a staff member (Code 224 or 101, depending on seriousness of injuries).

Code 305, Possession of anything not authorized, may be appropriate for inmates possessing items in excess of authorized limits.

Codes 199, 299, and 399, most like 196, 296, and 396, respectively, may be appropriate for inmates using electronic messaging (e.g., TRULINCS) in violation of policy. Sanctions Code F., Loss of privileges, in the form of loss of electronic messaging privileges, may be an appropriate

proi

sanction for these offenses.

(b) Investigation. After you receive an incident report, a Bureau staff member will investigate it.

The Investigating Officer is an employee at the supervisory level who conducts an investigation of alleged inmate misconduct. The Investigating Officer must be IDC-certified, and may not be the employee reporting the incident or otherwise be involved in the incident. The officer is ordinarily a Lieutenant, but the Warden may appoint another staff member.

Staff conduct the investigation as promptly as possible. The Investigating Officer is ordinarily appointed within 24 hours of the incident report. The investigation should be finished within 24 hours after the appointment.

When it appears likely that the incident may involve criminal prosecution, the investigating officer suspends the investigation. Staff may not question the inmate until the FBI or other investigative agency releases the incident report for administrative processing. The incident report should then be delivered to the inmate by the end of the next business day. The time frame for processing the Incident report is suspended until it is released for processing.

The Investigating Officer may informally resolve the Incident report (except for prohibited acts in the Greatest or High severity level categories) or conduct an investigation consistent with this section.

(1) Information: The investigator will specifically inform you:

(A) of the charge(s) against you; and

(B) that you may remain silent at all stages of the discipline process, but that your silence may be used to draw an adverse inference against you at any stage of the process. Your silence alone, however, cannot be the basis for finding you committed the prohibited act(s).

(2) Statement: When the investigator asks for your statement, you may give an explanation of the incident, request any witnesses be interviewed, or request that other evidence be obtained and reviewed. However, the staff investigation of the incident report may be suspended before requesting your statement if it is being investigated for possible criminal prosecution.

The Investigating Officer provides a copy of the incident report to the inmate at the beginning of the investigation, unless there is good cause for later delivery, such as absence of the inmate from the institution or a medical condition that argues against delivery. If the investigation is delayed,

prol

any employee may deliver the charge(s) to the inmate. The reason for the delay must be documented in the discipline record.

The incident report should be delivered to the inmate within 24 hours of the time staff become aware of the inmates alleged misconduct. If an incident is referred for prosecution, the report is delivered by the end of the next business day after release for administrative processing. (The five-day time frame for a UDC review starts when the incident report is released for administrative processing.)

The staff member must record the date and time the inmate received a copy of the report. The investigator also reads the charge(s) to the inmate and asks for the inmate's statement about the incident.

The investigator then talks to persons with direct and relevant information, and summarizes their statements. (For example, if an inmate was in a fight, the investigator talks with the other inmate(s) involved.) Often, the investigator will want to talk to the reporting employee to obtain a report firsthand and to clarify any questions. Although an inmate may not identify or request any witnesses at this stage of the discipline process, the investigator should interview any witnesses to the incident (and victims, if applicable) to record their statements. The investigator records the disposition of evidence.

If practicable, the inmate's statements offering a rationale for his/her conduct or for the charges against him/her should be investigated. If the inmate requests exculpatory evidence, such as video or audio surveillance, the investigator must make every effort to review and preserve the evidence. It would also be prudent for the investigator to review and preserve the video or audio surveillance even if the inmate does not make a specific request as such evidence is relevant to the incident.

An inmate who receives an Incident report based on a "positive" urine test may claim this result comes from either:

- # Permissible medication he/she was given.
- # A combination of medications he/she is taking.

In the first situation, the investigator must contact Health Services staff to determine if the inmate is receiving medication that contains the compound found in the urinalysis. In the second situation, the investigator must confirm that the inmate is authorized to take the medications. When necessary, the testing laboratory is contacted to see if the combined medications could produce a "false positive."

While an inmate can challenge the **results** of a urine test, and this may be considered by the DHO, the validity of the testing **process** is not at issue. Neither the investigator nor the DHO has the experience to assess the accuracy of the laboratory process. See the Program Statement **Urine**

proi

Surveillance.

Under Comments and Conclusions, the investigator may include:

- # Comments on the inmate's prior record and behavior.
- # Analysis of any conflict between witnesses.
- # Conclusions regarding what happened.

The investigator must record all steps and actions taken on the incident report and forward the relevant materials to staff holding the initial hearing.

The inmate does not receive a copy of the investigation (Sections 23 through 27 of the incident report). However, if the case is ultimately forwarded to the DHO, the DHO must give a copy of the investigation and other relevant materials to the inmate's staff representative, if requested, for use on the inmate's behalf.

The UDC chairman or DHO taking **final** action ensures that the required information is entered into SENTRY. The unit team files all discipline documents in the inmates central file.

(3) *Informally resolving the incident report.* The incident report may be informally resolved at any stage of the disciplinary process, except for prohibited acts in the Greatest and High severity levels, or as otherwise required by law or these regulations. If the incident report is informally resolved, it will be removed from your records.

The Bureau encourages informal resolution of incidents. However, prohibited acts in the Greatest severity level (100 level) and High severity level (200 level) may not be informally resolved, and must be referred to the DHO. Moderate severity level (300 level) and Low severity level (400 level) offenses can be informally resolved at any stage of the process. A record of any informal resolution is maintained in SENTRY. However, the incident report is not filed in the inmates central file.

Staff may suspend discipline proceedings up to two calendar weeks while informal resolution is undertaken. If informal resolution is unsuccessful, staff may reinstate disciplinary proceedings at the stage at which they were suspended. The time requirements then restart at the point at which they were suspended. Staff are required to write the incident report before starting informal resolution so the facts of the incident will be preserved if informal resolution is not successful. While informal resolution requires the consent of both staff and inmate to be successful, the determination to informally resolve an incident report is solely at the discretion of staff.

CHAPTER 4.

541.7 Unit Discipline Committee (UDC) review of the incident report.

A Unit Discipline Committee (UDC) will review the incident report once the staff investigation is complete. The UDC's review involves the following:

(a) *Available dispositions.* The UDC will make one of the following decisions after reviewing the incident report:

(1) You committed the prohibited act(s) charged, and/or a similar prohibited act(s) as described in the incident report;

(2) You did not commit the prohibited act(s) charged; or

(3) The incident report will be referred to the Discipline Hearing Officer (DHO) for further review, based on the seriousness of the prohibited act(s) charged.

(4) If you are charged with a Greatest or High severity prohibited act, or are an inmate covered by 541.4, the UDC will automatically refer the incident report to the DHO for further review.

(b) *UDC members.* The UDC ordinarily consists of two or more staff. UDC members will not be victims, witnesses, investigators, or otherwise significantly involved in the incident.

The Warden designates ordinarily two or more unit staff members to hold an initial review and impose available sanctions upon completion of the investigation of alleged misconduct for moderate category and low category offenses. One staff member UDCs are permitted when other members are not reasonably available.

Only one unit staff member is required to hold an initial review when the incident report is required by policy to be referred to the DHO.

A staff member witnessing an incident may serve on the UDC in cases where virtually every staff member in the institution witnessed the incident in whole or in part.

A staff member may not sit on the UDC without successfully completing the self-study program for UDC certification.

Each Warden must select at least one UDC Trainer to monitor the progress of staff participating in the self-study program.

proi

(c) *Timing.* The UDC will ordinarily review the incident report within five work days after it is issued, not counting the day it was issued, weekends, and holidays. UDC review of the incident report may also be suspended if it is being investigated for possible criminal prosecution.

The Wardens approval is required for any extension beyond five work days. The UDC will ensure the approval is documented and included in the discipline packet. The time that an incident report is suspended for referral to another agency for possible prosecution is not included in this five work day time frame. The time line commences when the incident report is released from the outside agency for administrative processing. However, the inmate should be advised of the delay, and if appropriate, the reason for the delay.

(d) *Inmate appearance.* You are permitted to appear before the UDC during its review of the incident report, except during UDC deliberations or when your presence would jeopardize institution security, at the UDCs discretion. Also:

(1) You may appear either in person or electronically (for example, by video or telephone conferencing) at the UDC's discretion.

(2) You may waive your appearance before the UDC. If you waive your appearance, the UDC will review the incident report in your absence.

(3) If you escape or are otherwise absent from custody, the UDC will conduct a review in your absence at the institution where you were last confined.

The UDC must document its reasons for excluding an inmate from the hearing.

A waiver may be in writing, signed by the inmate, or if the inmate refuses to sign, by a memo indicating the inmate's refusal to appear (Waiver of Appearance (BP-A0307)).

(e) *Evidence.* You are entitled to make a statement and present documentary evidence to the UDC on your own behalf. The UDC will consider all evidence presented during its review. The UDCs decision will be based on at least some facts and, if there is conflicting evidence, on the greater weight of the evidence.

The phrase "some facts" refers to facts indicating the inmate committed the prohibited act. The phrase "greater weight of the evidence" refers to the strength of the evidence.

(f) *Sanctions.* If you committed a prohibited act(s), the UDC can impose any of the available sanctions listed in Tables 1 and 2, except loss of good conduct sentence credit, disciplinary segregation, or monetary fines.
